Specialty: Nurse Practitioner - Medicine

Delineation of Privileges

Applicant's Name: Test Test, M.D.

Instructions:

1. Click the **Request** checkbox to request a group of privileges such as *Core Privileges* or *Special Privileges*.
2. Uncheck any privileges you do not want to request in that group.
3. When requesting your privileges, please remember you must be able to demonstrate current competency to be granted or to have a privilege renewed.
4. Please pay close attention to make sure you submit all required forms (i.e., activity, case logs), as incomplete files cannot be processed.
5. Electronically Sign/Date form.

Note:

- Applicants are not required to apply for all specialty-specific Core Privileges. If the requirements exist for a particular specialty, the criteria will be outlined under the required qualifications section of each privilege form.
- Applicants may request privileges that apply to multiple specialties if they qualify.
- **IMPORTANT - If you have not met the minimum activity requirements for any privileges, do not check the boxes for those privileges.**

Required Qualifications

Qualifications

Licensure as a Registered Nurse (RN) in the State of California.

AND

Certification as a Nurse Practitioner (NP) in the State of California.

AND

Applicant may be employed by WHHS, but must still go through the credentialing process for this Allied Health Professional category.

AND

Applicant must have a supervising physician who holds a current unrestricted license from the State of California. The physician should be a member in good standing of the active or provisional active Medical Staff.

AND

The Supervising Physician must submit a request (to become a supervising physician) and establish the following in writing, along with any necessary supporting documentation to his/her Department Chair for review:

- a. A delgation of service agreement (DSA) outlining those specific duties that the Nurse Practitioner would be permitted to perform under supervision and outside of the Supervising physician's immediate supervision and control, shall be signed and dated by the supervising physician and the Nurse Practitioner. This will be submitted with the Nurse Practitioner's application.

b. Protocols governing all procedures to be performed by the Nurse Practitioner. Such protocols shall state the information to be given to the patient, the technique for the procedure, and the follow-up care;

c. A written statement indicating that the Supervising Physician accepts full legal and ethical responsibility for the performance of all professional activities of the Nurse Practitioner.

AND

Complete a written application to the Medical Staff for such privileges.

AND

Meet with the Credentials Committee or a representative to discuss the application, the application process, duties and obligations of the physician when required by the Chair of the Credentials Committee or the Chief of Staff.

AND

Be approved by the Credentials Committee, Medical Executive Committee and the Hospital Board.

AND

The supervising physician must provide proof of professional liability insurance, with limits as determined by the Board of Directors, for acts or omissions arising from supervision of the Nurse Practitioner the Supervising Physician shall verify such coverage in a form acceptable to the Medical Executive Committee

AND

The Supervising Physician will comply with all of the requirements as spelled out in the California Business & Professional Code and the California Code of Regulations (Title 16) as they relate to the supervision of Nurse Practitioners, which they will attest to have read.

AND

The Supervising Physician shall:

a. Adopt protocols to govern the performance of a Nurse Practitioner for some or all tasks. The minimum content for a protocol governing diagnosis and management as referred to in this section shall include the presence or absence of symptoms, signs, and other data necessary to establish a diagnosis or assessment, any appropriate tests or studies to order, drugs to recommend to the patient, and education to be given the patient For protocols governing procedures, the protocol shall state the information to be given the patient, the preparation and technique of the procedure, and the follow-up care.

b. Protocols shall be developed by the physician, adopted from, or referenced to texts or other sources. Protocols shall be signed and dated by the supervising physician and the Nurse Practitioner.

c. In the case of a patient proceeding to any invasive procedure the review must be prior to that procedure. A note must be created in EPIC by the Supervising Physician and must include a summary of the pertinent details of the history, important physical findings, the planned procedure, the rationale for the procedure, and documentation that the procedure has been explained to the patient by the Supervising Physician. The duty to obtain informed consent cannot be delegated;

d. Establish written guidelines for the timely supervision of any laboratory, screening, or therapeutic services performed by the Nurse Practitioner.

AND

The supervising physician has continuing responsibility to follow the progress of the patient and to make sure that the Nurse Practitioner does not function autonomously. The supervising physician shall be responsible for all medical services provided by a Nurse Practitioner under his or her supervision•

Membership

Meet all requirements for AHP staff membership

Education/Training

Master's or doctoral degree in nursing from an accredited college or university. Graduate from a NP program accredited by the National League of Nursing Accrediting Commission (NLNAC) or the Commission on Collegiate Nursing Education (CCNE).

Continuing Education

Applicant must attest to having completed 50 CE credits during the previous 24 months directly related to the privileges requested (waived for applicants who have completed training during the previous 24 months).

Certification

National Board Certification as a Nurse Practitioner (NP) from an agency accredited by the American Board of Nursing Specialties (ABNS). Note: New graduate NPs must obtain National Board Certification within ~~six (6)~~ months of their graduation date.

~~six (6)~~
twelve (12) **AND**

Certification in Basic Life Support (BLS) from the American Heart Association (AHA).

AND

All applicants must provide proof of a valid Furnishing number from the Board of Registered Nurses for ordering drugs/devices, which must be included in all transmittals. The Furnishing must be current if holding privileges.

AND

An individual Drug Enforcement Agency (DEA) license issued by the DEA for Schedule II-V controlled substances.

AND

Clinical Experience (Initial)	Additional board certification(s) may be required by certain specialties/departments. Applicant must be able to provide documentation of provision of nurse practitioner services (at least 24 procedures of a variety of the procedures within the core) representative of the scope and complexity of the privileges requested during the previous 24 months (waived for applicants who completed training within the past year).
Clinical Experience (Reappointment)	Applicant must be able to provide documentation of provision of nurse practitioner services (at least 24 procedures of a variety of the procedures within the core) representative of the scope and complexity of the privileges requested during the previous 24 months.

Core Privileges: Nurse Practitioner - Medical	
A Nurse Practitioner may provide only those medical services which he/she is competent to perform, which are consistent with the NP's education, training, experience, Standardized Procedure which are delgated in writing by the supervising physician and performed under the supervision of that physician. A Nurse Practitioner shall consult with a physician regarding any task, procedure or diagnostic problem which the NP determines exceeds his/her level of competence or shall refer such cases to a collaborating physician.	
Request	Request all privileges listed below. Uncheck any privileges that you do not want to request.
<input type="checkbox"/>	Evaluates and treats patients with acute, chronic complaints and health maintenance concerns related to specialty, according to written standardized procedures. [see Standardized Procedure: Assessment & Management of Patients]
<input type="checkbox"/>	Obtains complete histories and performs pertinent physical exams with assessment or normal and abnormal findings on new and return patients, according to written standardized procedures. [see Standardized Procedure: Assessment & Management of Patients]
<input type="checkbox"/>	Performs or requests and evaluates diagnostic studies as indicated upon evaluation of the patient, according to written standardized procedures. [see Standardized Procedure: Assessment & Management of Patients]
<input type="checkbox"/>	Orders, furnishes, and prescribes medications, according to written standardized procedures. [see Standardized Procedure: Administering, Ordering, Furnishing or Prescribing of Drugs, Formulary Protocol]
<input type="checkbox"/>	Orders and collects specimens for routine laboratory tests, screening procedures and therapeutic procedures, including blood and blood products as directed by supervising physician.
<input type="checkbox"/>	Order physical therapy, occupational therapy, respiratory therapy, radiology examinations and nursing services as directed by the supervising physician.
<input type="checkbox"/>	Performs designated procedures after demonstrated competency, according to written standardized procedures where applicable and as directed by supervising physician.
<input type="checkbox"/>	Initiates arrangements for hospital admissions and discharges and completes appropriate documentation as directed by the supervising physician; including assisting with obtaining informed consent.
<input type="checkbox"/>	As directed by the supervising physician, enrolls patients in investigational studies approved by the Investigational Review Board (IRB), and orders the necessary tests and medications. [see Standardized Procedure: Administering, Ordering, Furnishing or Prescribing of Drugs, Formulary Protocol] Medications that are not FDA-approved or are used for non-FDA-approved indication (off-label use) require patient specific order in advance from the supervising physician.
<input type="checkbox"/>	Recognizes and considers age-specific needs of patients.
<input type="checkbox"/>	Effectively communicates and interacts with patients, families, staff and members of the community from diverse backgrounds.
<input type="checkbox"/>	Recongizes situations which require the immediate attention of a physician and initiates life-saving procedures when necessary.
<input type="checkbox"/>	Facilitates the coordination of inpatient and outpatient care and services as needed.
<input type="checkbox"/>	Facilitates collaboration between providers and coordination of community resources.
<input type="checkbox"/>	Ensures compliance with legal, regulatory and clinical policies and procedures.

Core Privileges: Nurse Practitioner - Medical	
A Nurse Practitioner may provide only those medical services which he/she is competent to perform, which are consistent with the NP's education, training, experience, Standardized Procedure which are delgated in writing by the supervising physician and performed under the supervision of that physician. A Nurse Practitioner shall consult with a physician regarding any task, procedure or diagnostic problem which the NP determines exceeds his/her level of competence or shall refer such cases to a collaborating physician.	
Request	Request all privileges listed below. Uncheck any privileges that you do not want to request.
<input type="checkbox"/>	Participates in quality improvement initiatives.
<input type="checkbox"/>	Provides and coordinates patient teaching and counseling.

FPPE	
<input type="checkbox"/>	The supervising physician shall personally supervise the first 20 core privileges performed by the nurse practitioner. This supervision shall be distributed between at least 5 different patients. The level of supervision shall be PERSONAL, with special emphasis to be placed on the proper performance of histories and physicals, progress notes, and discharge summaries. The supervising physician shall report each event as "satisfactory" or "unsatisfactory". An unsatisfactory report requires continued personal supervision of that privilege. After 20 core privileges have been satisfactorily completed and approved by the supervising physician and chairman of the department the level of supervision for core privileges becomes GENERAL.
<input type="checkbox"/>	Evaluation of OPPE data collected for review of competency/performance.

Special Privileges: Emergency Department	
Nurse Practitioner Special Privileges are all those privileges not included in the Core. Nurse Practitioner special privileges shall be performed under physician licensed in the State of California and a member in good standing of the Washington Hospital Medical Staff.	
Qualifications	
Education/Training	Master's/post-master's or doctorate training included specific training for privileges requested; or didactic course with "hands-on" experience for each privilege requested at an accredited facility deemed to be appropriate by the Department Chair or designee. Applicant must be able to provide proof of documentation for each privilege requested.
Clinical Experience (Initial)	Applicant must be able to provide documentation of provision of services (# and type of cases) representative of the scope and complexity of the privileges requested during the previous year (waived for applicants who completed training within the past year and can document competence in this area).
Clinical Experience (Reappointment)	Applicant must have provided (# cases) representative of the scope of privileges requested during the past 24 months
Additional Qualifications	Must qualify for and be granted core privileges as a Nurse Practitioner.
Request	Request all privileges listed below. Uncheck any privileges that you do not want to request.
<input type="checkbox"/>	Slit lamp examination including removal of foreign body; Conjunctiva/Cornea

<input type="checkbox"/>	Laceration repair including single and multilayer closures
<input type="checkbox"/>	Incision and drainage of subungual hematoma, abscess and paronychia
<input type="checkbox"/>	Trephination of nail including nail removal
<input type="checkbox"/>	Care of simple fractures including extremity, rib and clavicle; including skeletal immobilization
<input type="checkbox"/>	Care of simple strains and sprains including immobilization and application of splints
<input type="checkbox"/>	Reduce simple dislocation including digital, radial head, shoulder, hip and patellar
<input type="checkbox"/>	Posterior nasal packing and cautery
<input type="checkbox"/>	Emergent decompressive thoracostomy
<input type="checkbox"/>	Direct fiberoptic laryngoscopy and airway management including intubation

FPPE	
<input type="checkbox"/>	Ten concurrent case reviews.
<input type="checkbox"/>	Evaluation of OPPE data collected for review of competency/performance.

Special Privileges: ICU/CCU	
Description: Nurse Practitioner Special Privileges are all those privileges not included in the Core. Nurse Practitioner special privileges shall be performed under physician licensed in the State of California and a member in good standing of the Washington Hospital Medical Staff.	
<p>Qualifications</p> <p>Education/Training Master's/post-master's or doctorate training included specific training for privileges requested; or didactic course with "hands-on" experience for each privilege requested at an accredited facility deemed to be appropriate by the Department Chair or designee. Applicant must be able to provide proof of documentation for each privilege requested.</p> <p>Clinical Experience (Initial) Applicant must be able to provide documentation of provision of services (# and type of cases) representative of the scope and complexity of the privileges requested during the previous year (waived for applicants who completed training within the past year and can document competence in this area).</p> <p>Clinical Experience (Reappointment) Applicant must have provided (# cases) representative of the scope of privileges requested during the past 24 months</p> <p>Additional Qualifications Must qualify for and be granted core privileges as a Nurse Practitioner.</p>	
Request	Request all privileges listed below. Uncheck any privileges that you do not want to request.
<input type="checkbox"/>	Visit patients in the ICU/CCU
<input type="checkbox"/>	Obtains complete histories and performs pertinent physical exams with assessment of normal and abnormal findings on new and return patients, according to written standardized procedures. [see Standardized Procedure: Assessment & Management of Patients]

FPPE	
------	--

- Ten concurrent case reviews.
- Evaluation of OPPE data collected for review of competency/performance.

Acknowledgment of Applicant

I have requested only those privileges for which I am qualified by education, training, current experience, and demonstrated current competency I am entitled to perform and that I wish to exercise at Washington Hospital and I understand that:

- A. In exercising any clinical privileges granted, I am constrained by Hospital and Medical Staff Bylaws, policies and rules applicable generally and any applicable to the particular situation.
- B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.
- C. I certify that I have no emotion or physical condition that would affect my ability to perform these privileges.
- D. Furthermore, I attest that the information I have provided about my clinical activity is accurate and true.

WM

Practitioner's Signature

Department Chair Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and make the following recommendation(s):

- Recommend all requested privileges
- Do not recommend any of the requested privileges
- Recommend privileges with the following conditions/modifications/deletions (listed below)

Privilege	Condition/Modification/Deletion/Explanation

- Ten concurrent case reviews.
- Evaluation of OPPE data collected for review of competency/performance.

Acknowledgment of Applicant

I have requested only those privileges for which I am qualified by education, training, current experience, and demonstrated current competency I am entitled to perform and that I wish to exercise at Washington Hospital and I understand that:

- A. In exercising any clinical privileges granted, I am constrained by Hospital and Medical Staff Bylaws, policies and rules applicable generally and any applicable to the particular situation.
- B. Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the applicable section of the Medical Staff Bylaws or related documents.
- C. I certify that I have no emotion or physical condition that would affect my ability to perform these privileges.
- D. Furthermore, I attest that the information I have provided about my clinical activity is accurate and true.
